The Donaghadee Community Development Association (DCDA) is a dedicated group of volunteers working to make Donaghadee a better place to live, work, and visit. We meet monthly to discuss key issues affecting the town, collaborate with local organisations, elected representatives, and statutory bodies—including Ards & North Down Borough Council—and drive initiatives that enhance our community. As a registered charity, our work is entirely voluntary, and every member plays a part in shaping the future of Donaghadee.
